

I am not sure if it is the right proceeding number. I just simply wanted to comment. All I wanted to thank Commissioner Copps for agreeing to meet Tim regarding obscene and Indecent Broadcast. It is important that Commissioner Copps can do whatever he can get FCC to reverse its ruling concerning the F-word. I don't care if it is not related to sexual term. It is still obscene to me period. I don't want to watch broadcast show that carries the filthy language.
